## **Plan and Play, Play and Plan**

2018-01-03

visual artist is a term with untold interpretations nuances variations and meanings but how as an artist or designer photographer or other independent creator do you become who you are and who you would like to be 0what fundamental questions characteristics dilemmas ambitions restrictions and realities play a part how as an artist can you guide your artistic practice the main criterion being to answer the question where do i stand and what do i stand for 0 plan and play play and plan positioning by artists targets the artist inviting him or her to reach considerations often based on analytical models that will help to determine his position 0the author knows from practical experience the complexity of the artist's questions and dilemmas the many areas in which the artist involved and how important self reflection and self determination are for artistic practice without losing sight of the broader social context he has scrutinized his considerations assembled notes and pointers based on many interviews with a wide variety of artists from beginners to old hands from unknown to internationally celebrated assimilating them into an appealing book in which terminology background components and questions requiring reflection form a cohesive whole

## ***Play and Creativity in Art Teaching***

2015-03-02

in play and creativity in art teaching esteemed art educator george szekely draws on his two classic volumes encouraging creativity in art lessons and from play to art to create a new book for new times the central premise is that art teachers are not only a source of knowledge about art but also a catalyst for creating conditions that encourage students to use their own ideas for making art by observing children at play and using props and situations familiar to them teachers can build on children's energy and self initiated discoveries to inspire school art that comes from the child's imagination the foundation of this teaching approach is the belief that the essential goal of art teaching is to inspire children to behave like artists that art comes from within themselves and not from the art teacher play and creativity in art teaching offers plans for the study of children's play and for discovering creative art teaching as a way to bring play into the art room
