have you ever wished you had a wise old mentor who could tell you where to go next in your career or your life an obi wan kenobi type of figure who could not only offer specific advice on handling day to day decisions but could guide you to the people and places that would make a difference in your life and career in treasure hunt written by a successful silicon valley entrepreneur and investor we can learn to tune into messages that are coming to us all the time from the hidden worlds these messages which take the form of synchronicity hunches gut feelings visions feelings of déjà vu bodily sensations and even in our dreams while we are awake or asleep are like clues in our own personal treasure hunt by learning to use the clue lifecycle these clues can provide concrete guidance in our personal lives our jobs our career decisions and our investments where do these clues come from whether they are from our inner mentor from our future selves or from our spiritual guides they can help us to uncover our hidden treasure map which shows us the work we were meant to do in this life and the path to get there turn your career into a treasure hunt and find true meaningful success in the business and spiritual worlds

The Joy of Geocaching 2010-04-01

describing the exciting and adventurous world surrounding geocaching a worldwide hunt in which treasures are located using global positioning system gps devices this book offers an understanding and application of the principles and best practices of the game what's different is that the authors wrap this knowledge in a tapestry of human stories that range from hilarious to touching paul and dana gillin interviewed 40 of the world's 50 most prolific geocachers as well as experts in container design extreme geocaching and other dimensions of the game they tell how this global activity inspires passion that has helped people heal frayed marriages establish new friendships and even save lives

The Idea Hunter *2011-04-26*

a different way of discovering and developing the best business ideas jack welch once said someone somewhere has a better idea in this myth busting book the authors reveal that great business ideas do not spring from innate creativity or necessarily from the brilliant minds of people rather great ideas come to those who are in the habit of looking for great ideas all around them all the time too often people fall into the trap of thinking that the only worthwhile idea is a thoroughly original one idea hunters know better they understand that valuable ideas are already out there waiting to be found and not just in the usual places shows how to expand your capacity to find and develop winning business ideas explains why ideas are a critical asset for every manager and professional not just for those who do creative reveals how to seek out and select the ideas that best serve your purposes and goals and define who you are as a professional offers practical tips on how to master the everyday habits of an idea hunter which include cultivating great conversations the book is filled with illustrative accounts of successful idea hunters and stories from thriving idea companies warren buffet walt disney thomas edison mary kay ash twitter and pixar animation studios are among the many profiled

Go Find It! an Outdoor Active Scavenger Hunt *2015-11-17*

outdoor exercise and exploration are essential for young children go find it is both a counting book and a scavenger hunt designed to ignite adventure and get kids active head to your nearest park playground or even your own backyard and don t forget to pack your sense of adventure small children will be amazed at what they find even in familiar settings this book begins with a short letter to the big people to give a few quick tips then it launches into a bright and captivating picture book format go find it is small enough to slip into a backpack or suitcase for vacation adventures every time you read it the results will be different and that s part of the fun the story is set in opendyslexic a special font designed to help people with dyslexia

The Secret *2014-03-18*

the tale begins over three hundred years ago when the fair people the goblins fairies dragons and other fabled and fantastic creatures of a dozen lands fled the old world for the new seeking haven from the ways of man with them came their precious jewels diamonds rubies emeralds pearls but then the fair people vanished taking with them their twelve fabulous treasures and they remained hidden until now across north america these twelve treasures over ten thousand dollars in precious jewels in 1982 dollars are buried the key to finding each can be found within the twelve full color paintings and verses of the secret are you smart enough the secret a treasure hunt was published in 1982 the year before publication the author and publisher byron preiss had traveled to 12 locations in the continental u s and possibly canada to secretly bury a dozen ceramic casques each casque contained a small key that could be redeemed for one of 12 jewels preiss kept in a safe deposit box in new york the key to finding the casques was to match one of 12 paintings to one of 12 poetic verses solve the resulting riddle and start digging since 1982 only two of the 12 casques have been recovered the first was located in grant park chicago in 1984 by a group of students the second was unearthed in 2004 in cleveland by two members of the quest4treasure forum
