what is a chinese american a chinese an american or both or neither these seemingly easy questions are hard to answer in terms of history culture ethnicity and literature in order to provide an answer to these questions chinese american writers transform a historical discourse into a historicist one to review history an intrapersonal discourse into an interpersonal one to redefine autobiography and a mythological discourse into a mythopoetical one to rewrite mythology so as to transform an american orientalist discourse into a chinese american one for the reading and writing of chinese american literature as a consequence the question what is a chinese american is transformed into an affirmation of what a chinese american is
