winner of the branford boase award 2021 a breathtaking fantasy adventure for fans of his dark materials that the times calls unputdownable the city was built on a sharp mountain that jutted improbably from the sea and the sea kept trying to claim it back that grey morning once the tide had retreated a whale was found on a rooftop when a mysterious boy washes in with the tide the citizens believe he s the enemy the god who drowned the world come again to cause untold chaos only ellie a fearless young inventor living in a workshop crammed with curiosities believes he s innocent but the enemy can take possession of any human body and the ruthless inquisition are determined to destroy it forever to save the boy ellie must prove who he really is even if that means revealing her own dangerous secret unputdownable the times enthralling the daily express sumptuously atmospheric tirelessly inventive the daily telegraph gripping the guardian energetic and inventive sunday times gripping and original the observer singularly brilliant kiran millwood hargrave author of the girl of ink and stars and the mercies compellingly inventive and unpredictable piers torday author of the last wild a terrific debut of strange myths and dark secrets the bookseller editor s choice

Orphans of the Tide

2020-02-20

author of the booker longlisted novel second place outline is a novel in ten conversations spare and lucid it follows a novelist teaching a course in creative writing over an oppressively hot summer in athens she leads her student in storytelling exercises she meets other writers for dinner she goes swimming in the ionian sea with her seatmate from the place the people she encounters speak volubly about themselves their fantasies anxieties pet theories regrets and longings and through these disclosures a portrait of the narrator is drawn by contrast a portrait of a woman learning to face great a great loss outline is the first book in a short and yet epic cycle a masterful trilogy which will be remembered as one of the most significant achievements of our times

Outline

2018-05-01

let the wicked be ashamed and let them be silent in the grave these ominous words are the last threat that sir edward grey receives from his killer before he can show them to nicholas brisbane the private inquiry agent he has retained for his protection he collapses and dies at his london home in the presence of his wife julia and a roomful of dinner guests prepared to accept that edward s death was due to a long standing physical infirmity julia is outraged when brisbane visits and suggests that her husband was murdered it is a reaction she comes to regret when she discovers damning evidence for herself and realizes the truth determined to bring the murderer to justice julia engages the enigmatic brisbane to help her investigate edward s demise dismissing his warnings that the investigation will be difficult if not impossible julia presses forward following a trail of clues that lead her to even more unpleasant truths and ever closer to a killer who waits expectantly for her arrival

Silent in the Grave

2015-08-17

jeff browning is a teenage boy who following the mysterious disappearance of his father a brilliant physicist finds a portal in his father s office that transports him to another dimension the dimension is populated by fantastic and

dangerous creatures and also an advanced society of humans that society while very different from those on earth is oddly similar in some ways to the society in which jeff grew up as jeff looks for clues regarding what may have happened to his father he is accused by some of being a spy while thought by others to be a prophesized figure who may be the key to victory in a developing war this review is from land of nod the artifact the kindle seems to have encouraged me to read things i would normally overlook the land of nod is one of them it sits on the same bookshelf as a harry potter book and that is why i thoroughly enjoyed it a normal intelligent boy jeff leading a normal life suddenly finds himself in another dimension the author is superb at describing the fantastical elements of this dimension and i had no trouble at all imagining the strange effects creatures and well just about everything of this strange land the reader always has a firm foot on the ground because as jeff is not one of the fantasy characters he regularly compares features of the world in which he finds himself with planet earth and that s why i liked the book it didn t overreach my sci fi boundaries of credibility the book ends with some unanswered questions which i won t detail or i would be giving things away so i am hoping this means a sequel i would without a shadow of a doubt snap it up in a jiff this review is from land of nod the artifact this book details the adventures of jeff browning a fourteen year old boy who is struggling with the loss of his father jeff has dreams that frighten him and he tries to avoid sleep as much as he can one day he decides to search his late father s office and while he is in there he finds a strange machine with a hole in the center that leads to somewhere else he climbs into it and embarks on a strange series of adventures finding that his father is not dead but is there too the characters are well drawn and the strange world is also well crafted the beasts that jeff must fight are quite frightening and the battles are very realistic despite the battles and other scary things there is no real gore and no adult situations so this is a good adventure book for readers of all ages i enjoyed this book immensely and highly recommend it this review is from land of nod the artifact great young adult fantasy the story captures your imagination and the characters are likable of course i have my favorite one you are sucked into a demension where all is strange yet familiar you feel like it s a place you can call home if you re not eaten by rodent sized t rex or jellyfish that fall from trees first this book is the first book in a trilogy but it doesn t leave the reader with too many unanswered questions it has a good storyline that flows and can stand alone but this reader can t wait for book two a true five star gem period
