Credit Repair Secrets 2023-08-08 it's 2019 this is your lucky year in the chinese calendar it is the year of the pig for you it is the year of great credit most people sat around planning a new year's party i created the best 2019 credit repair publication ever written this is the best time to fix your credit seriously folks there are new laws thanks to the amazing national consumer assistance plan though originally announced by the attorney general of the state of new york eric t schneiderman and shortly thereafter announced by 30 other state attorneys general the settlement actually applies to consumers in all 50 states seriously folks there has never been a better time in the history of the world to fix your credit please don't buy one of these out of date publications that don't work why waste time they say one picture is worth one thousand words well one video must be worth one million words if you want a quick video of why my publication is the best click on my name john harris directly above it will take you to my author page there is a quick video that explains why i think you should purchase my publication look can i talk to you privately for a second you probably know right now your credit is not very good and you see derogatory items that are yours well let me tell you a little secret when i wrote this publication i already expected that so don't worry this publication covers removing derogatory accounts that are really yours also don't worry this is done legally last year did you hear this automobile well we did get you approved but unfortunately the down payment we talked about will be significantly more your monthly payment will also be 168 more a month we understand that's not financially possible for you but if things change let us know thanks for coming in and help yourself to a cup of coffee on your way out house you seem like a nice couple and it's great you are expecting your first child soon but unfortunately we can't get you the mortgage we advertised everywhere you might want to try those companies online that charge insane interest rates and want a huge deposit as well as your first born child thanks for coming in and would you mind filling out a survey online about how well we served you today look a good friend of mine is a divorce attorney he knows what i do so whenever we get together the subject always seems to go to credit he told me he's shocked at how much spouse has bad credit comes up during a divorce he says it's always an issue woman have we have deducted that woman love to nest they want security i guess we didn't have to be rocket scientists to figure that out so anyway stop right now and scroll to the top of the page and buy this publication so we can get started is that being forward enough so if you are still here you might need some more convincing i guess good for you due diligence my name is john d harris i could go on and on here about my experience working as a credit bureau manager but i won't bore you with all the details this really is not about me anyway you already know the pros credit attorneys and

have read online about credit repair are out of date or the authors don't really know about credit repair let's face it all our lives are on a clock that is always ticking tick tock tick tock this is not a practice run this is your one life don't waste 2019 every day with bad credit is a day you are not experiencing your full life experience my bet is that you know more about cooking a turkey changing your oil what's on netflix geography donald trump than you do about real credit repair i guarantee you can have good credits you can have great credit in 2019 just listen to me is that blunt enough for you do yourself a favor purchase the publication

Credit Secrets 2021-03-25 credit repair credit repair second edition real life real world credit repair and score increase tactics includes real credit letters and disputes there's no need to hire attorneys or credit repair firms all they do is send out a templated letter anyways and creditors get those all the time big deal when the actual debtor sends a serious letter whoa watch out consumer laws being brandished on the collector creditor they don't like that and will do whatever necessary to get rid of you fast if you reach the right person and say the right things these proven strategies can work for anyone this book will show you how to take action and restore or improve your credit when doing credit repair you want your negative information deleted do not settle for any other status let's face the facts here without good credit you spend a lot more money on things like mortgages car loans insurance and cell phone plans even healthcare can cost a lot more and let's not forget that nowadays employers usually will check your credit to ensure you aren't a financial risk to them if your credit sucks and it's a job you really want how awful would that be if you get passed over because of your credit score or credit report collections and judgment get them deleted dispute your credit the right way using federal laws in your favor the consumer acts are vast and complex almost every debt collector or creditor has a violation somewhere in their operations they're almost impossible not to violate write credit letters from hell and state your demands no company likes dealing with debtors that know the consumer acts and uses them to their advantage most companies can barely adhere to the vast consumer laws and fair credit acts however minor most companies violate some aspect of the laws at one time or another if you can't find a fair credit violation use the cyber security breach tactic this one is very serious the government wants large corporations to secure your data if they are recklessly handling your information this falls under the cyber security mandates and is definitely going to get their attention inquiries nowadays lots of companies don't even tell you upfront that they are making a hard credit inquiry these can add up over time and pull your score down many points getting these deleted is the goal get your free real score and report online direct from the major bureaus lots of websites and companies claim they will give you a free credit score but they usually try to trick you they will try to charge you either a large one time fee or an ongoing membership fee for access to your credit information but there is one website that gives you your credit score 100 free without trying to sell you anything and you can monitor your score without any cost they can even provide you with free email alerts when anything new pops up on your credit report so you can take care of it right away insurance auto insurance rates are out of control these days don't let them rip you off because your score places you in a certain category of risk for them fight back by improving your score quickly and get the low rates you deserve now also check your driving record report sometimes errors in points or citations will cause your insurance premiums to remain high sometimes citations that were supposed to drop off haven't

Winning Bankruptcy Strategies for Consumer Credit Attorneys 1989 a contract is supposed to be a meeting of the minds two people of equal understanding putting down a fairly negotiated agreement in reality most agreements are dictated by wealthy corporations or individuals sellers lenders landlords and include terms of art that consumers do not fully understand we do not find out that some innocuous sounding phrase has a major impact on our rights and responsibilities until it is too late debtor's dictionary levels the playing field containing definitions of terms commonly used in contractual language this indispensable book turns you into a savvy consumer once you learn the vocabulary sellers will find it much more difficult to take advantage of you don't sign on the bottom line until you have read debtor's dictionary from cover to cover about sid moore sidney l sid moore jr was born in the small town of montezuma georgia in 1940 son of a lawyer father and a newspaper columnist mother he worked his way through undergraduate college and walter f george law school as a newspaper reporter and went on to become a widely known lecturer in continuing legal education seminars for attorneys he has also been lead counsel in criminal or civil litigation in half the states in america sid started his law career as a regional debt relief professional law attorney with

4 Steps to Better Credit: Learn How to Lawfully Improve Your Credit Fast Without Breaking the Bank 2019-04-02 this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1904 edition excerpt watch over his collections whether he sends them direct to the local attorneys or employs a collection agency to do so for him in considering the rival claims of differing systems presented to ns for consideration in any walk of life whatever we generally find that an advantage possessed by one is counterbalanced by something else in the case of the other it is so in the ways of making collections the advocates of direct forwarding claim that while it sometimes may involve more expense of time and money the results are better and the added expenditure thus more than justified this would appear to be a sound argument because it is based upon weakness of human nature if every man did his duty to the utmost under any circumstances then the claims sent out by the collection agencies for which the collecting attorney receives only his proportion of the ten per cent fee would receive exactly the same attention at his hands as those sent direct by the client on which he receives the entire fee we make no imputation of dereliction of duty against the members from an attorney in tennessee while not a large amount of commercial business comes to this place yet you people control your share of the same i have been weeding out some but i am glad to represent you and shall at all times when opportunity presents itself speak a good word for the adjuster and for the lawyers whose names are found therein of the legal profession but we are free to confess that so far as our experience with lawyers extends they prefer one hundred and fifty dollar fees to one hundred dollar fees all other things being equal in the case of two claims therefore one sent by a collection agency and one direct by the client
