99 Percent Mine

2019-01-29

from the usa today bestselling author of the hating game soon to be a movie starring lucy hale and austin stowell an unforgettable romantic comedy about a woman who finally has a shot at her long time crush if she dares crush n a strong and often short lived infatuation particularly for someone beyond your reach darcy barrett has undertaken a global survey of men she s travelled the world and can categorically say that no one measures up to tom valeska whose only flaw is that darcy s twin brother jamie saw him first and claimed him forever as his best friend despite darcy s best efforts tom s off limits and loyal to her brother 99 that s the problem with finding her dream man at age eight and peaking in her photography career at age twenty ever since she s had to learn to settle for good enough when darcy and jamie inherit a tumble down cottage from their grandmother they re left with strict instructions to bring it back to its former glory and sell the property darcy plans to be in an aisle seat halfway across the ocean as soon as the renovations start but before she can cut and run she finds a familiar face on her porch house flipper extraordinaire tom s arrived he s bearing power tools and he s single for the first time in almost a decade suddenly darcy s considering sticking around to make sure her twin doesn t ruin the cottage s inherent magic with his penchant for grey and chrome she s definitely not staying because of her new business partner s tight t shirts or that perfect face that s inspiring her to pick up her camera again soon sparks are flying and it s not the faulty wiring it turns out one percent of tom s heart might not be enough for darcy anymore this time around she s switching things up she s going to make tom valeska 99 percent hers this next hilarious romance includes a special ps section with two happily ever afters one for this novel featuring darcy and tom and the other an epilogue featuring fan favorites lucy hutton and josh templeman from the hating game

Forever Mine (Tormentor Mine #4)

2019-04-16

i fought against fate and i won i made a deal with the devil to keep her it was supposed to be over we were meant to be happy too bad my enemies had other plans note this is the conclusion of peter sara s story it is strongly recommended that you read twist me and capture me trilogies before embarking on this book as there will be major spoilers for those series

Destiny Mine (Tormentor Mine #3)

2018-07-03

lauren bailey may be a romantic at heart but after a decade of matchmaking schemes gone wrong there s only one match she s committed to now the one that will make her a mother lauren is a dedicated first grade teacher in idaho and her love for children has led her to the path of international adoption to satisfy her adoption agency s requirements she gladly agreed to remain single for the foreseeable future however just as her long wait

comes to an end lauren is blindsided by a complication she never saw coming joshua avery joshua may be a substitute teacher by day but lauren finds his passion for creating educational technology as fascinating as his antics in the classroom though she does her best to downplay the undeniable connection between them his relentless pursuit of her heart puts her commitment to stay unattached to the test and causes her once firm conviction to waver with an impossible decision looming lauren might very well find herself choosing between the two deepest desires of her heart even if saying yes to one means letting go of the other

Before I Called You Mine

2020-03-31

darkly addictive and hauntingly beautiful peter and sara s story will stay with you long after you read the final words julia sykes usa today bestselling author he came to me in the night a cruel darkly handsome stranger from the most dangerous corners of russia he tormented me and destroyed me ripping apart my world in his quest for vengeance now he s back but he s no longer after my secrets the man who stars in my nightmares wants me

well don t you think the world around you works on questions people don t get to know you but can always question you on the first place to make you unsettle burst your bubble of comfort and then drag you into the state of awkwardness by the way i am ved agarwal and this is my story but if you are looking for acceptance then this is your story if you are still waiting to be heard then this your story if you are delaying to take a step ahead then this your story if you are trapped in a melodrama of life then this is your story if you are looking for anything in this world except for getting rich then this is your story ahh that must have shaken your thoughts isn t it you must be questioning how the hell this ved agarwal is so sure that this is my story too alongside him then to you i would like to say that when you took out the book from the shelf it was a mere story and suddenly when it involved you as a character the anxiety raised the question raised the rush to know why only me raised so jump into this story alongside ved to know why this is your story too p s i would get to know your name by the end of the story how is that possible is a catch

Was She Mine...

2021-12-25

the complete novel first time in print new york times bestselling author beth kery ignites a red hot romance like no other where the rules of desire are broken night after intoxicating night the moment francesca and ian met the attraction was mutual an exquisitely physical charge that ignited between them to ian she was the kind of woman he couldn t resist she was a true innocent to francesca he was the kind of man she feared and desired dark extreme commanding and forbidden what happened between them couldn t be ignored only indulged evolving into an inescapable bond from a private jet to an interlude in paris from a daring tryst in a public museum to the intimacy of a luxury hotel francesca and ian come together whenever the need is aroused but as their relationship grows more intense francesca discovers something about ian and herself that forever changes the game and the players it s something they never expected something that sends both their lives spinning deliriously out of control includes a preview of beth kery s when i m with you

Because You Are Mine

2013-03-05

a daring deception desperate to escape her vile fiancé lady clara devises a bold lie that she s pregnant with another man s child with her reputation in tatters clara flees to scotland to live out her days in disgrace resigned to her fate as a spinster until she claps eyes on the powerful and wickedly handsome laird hunt maclarin she s the answer to his curse laird of an ancient clan hunt needs an heir but he comes from a long line of men cursed to die before the birth of their firstborn when the duke of autenberry approaches him with a proposition marry my ruined sister it seems the perfect solution even better the defiant lass stirs him to his very soul no escaping the truth except marriage cannot set them free no matter how much hunt desires her no matter how much clara burns for him soon she is falling for her husband but is love enough to end the curse or is the tragic history of the maclarin clan doomed to repeat itself

2013-03-05

changes in size and power of available mining transport equipment combined with improved means of control involving leaky feeder radio and

computers demands a new look at the problem of mine winding and transport such changes require the traditional mining engineer to have a much greater engineering application this book is intended to satisfy that requirement all the important means of transporting operatives and minerals are addressed both below ground and on the surface safe speedy and economic transport from the point of mineral extraction to leaving the mine is paramount this work covers all aspects of the problem including 1 the design and application of steel wire ropes to a variety of industrial applications and the various drums and pulleys necessary 2 a ready means of calculating output throughput of various transport modes and relating such to their power requirement and 3 information on transport modes that enables the most suitable system for given conditions to be determined a first principle approach has been adopted throughout and extensive use of practical examples allows the solution of virtually all associated problems although formulae are used where necessary for an understanding of the content the numerous tables included enable the practicing engineer to make short cuts to more quickly solve particular problems in addition the provision of a considerable number of operational constants many not previously published enable a more speedy and accurate solution to be effected by comparing the calculated solutions to a particular problem the most economic transport mode may be determined mining mechanical and electrical engineers concerned with the safe movement of men or material will find this book of particular use as will the student preparing for examinations on the subject
