Peace Officer's Guide to Criminal Law

2011-08-01

the police manager 8th edition is a major update with a completely fresh chapter on school resource officers based on a new case study and a new chapter on managing high profile events every police agency today faces the possibility of controversy and the need to train managers to deal appropriately with the media and the public continues to increase green building on the foundation laid by ronald lynch in prior editions gives practical field tested guidance to students and professionals who aspire to leadership roles in law enforcement providing a comprehensive explanation of issues and challenges that they will face as police supervisors the book is divided into four parts covering historical and philosophical underpinnings behavioral aspects of police management functional aspects of police management and major issues in modern police work this eighth edition is ideal for police management courses in u s undergraduate criminal justice programs as well as for law enforcement practitioners preparing for promotional examinations the text is also appropriate for broader criminal justice management courses

Annual Report

1987

now in its fourth edition youth in conflict with the law provides a thorough background on the social development of children and youth and the legal responses to young persons who are involved with crime in canada while maintaining the sharp focus and the discussion provoking features that made earlier editions so popular authors denise whitehead and mark d hunter guide students through the important distinction between punishment and a restorative justice approach a crucial understanding for those who are the first point of contact with youth highlighting the important role of police involvement from first contact to youth justice court this new edition delves deeply into current issues relating to race and ethnicity mental health and the black lives matter movement as well as the important intersection between youth criminal justice and child and family services new to this edition are updated statistics on youth crime and references to current youth criminal legislation featuring informative sidebars real case briefs and in the news sections and accompanied by an updated instructor s guide this accessibly written text is an excellent resource for students in police foundations programs and training courses

How to Become a Peace Officer

2005

police work isnt for everyone those who choose to answer the call seldom realize what they are getting themselves into theyre drawn to the

excitement the pursuit of justice and the thrill of the chase once in uniform they are confronted by the worst humanity has to offer departments that seem designed to frustrate rather than support their officers and friends and family incapable of understanding what they're going through being a cop is an incredibly rewarding way of life but only if you can keep your head straight this book aims to help you do just that inside you'll find 365 inspirational passages from history's greats each passage is accompanied by modern analysis from a street cop's perspective it's nothing fancy just frank observations honed over almost two decades of working the road whether you are considering a career in police work or if you are already on the job this book is for you read one passage per day as part of your beginning of shift ritual or devour it whole in one sitting either way you'll enjoy the advice of some of the greatest minds and most accomplished people in history as you find your own answers to the job's most pressing challenges

Youth in Conflict with the Law, 3rd edition

2017-08-18

this insightful study provides a look at policing in canada from the viewpoint of rank and file members of the police community this revised edition of the landmark policeman 1979 examines police officers as an occupational culture and the way they become socialized into this stressful and often isolated community

Texas Search and Seizure - Sixth Edition

2015-01-01

social political and economic relationships played key roles in the historical development of the police the authors present policing strategies from the vantage points of marginalized communities and emphasize the intersection of attitudes about class race ethnicity gender and sexual orientation with policies police practices cannot be class neutral in a class society nor can they be race neutral or gender neutral in a racist sexist and heterosexist society the key to understanding the relationship between the police and society is to think critically about the role of power and interests the second edition includes a new chapter in the section on the police and rebellion covering recent events there is also a new chapter on latino a police officers and an expanded chapter on lgbtq police officers without meaningful social change toward greater justice police reforms such as community policing and training in cultural diversity will fall short of creating an institution characterized by fairness and equality for all members of society a clear view of history is essential for understanding the challenges a more diverse police force faces in today s multicultural environment
