Going to Pieces Without Falling Apart 2013-04-17 an intimate guide to self acceptance and discovery that offers a buddhist perspective on wholeness within the framework of a western understanding of self for decades western psychology has promised fulfillment through building and strengthening the ego we are taught that the ideal is a strong individuated self constructed and reinforced over a lifetime but buddhist psychiatrist mark epstein has found a different way going to pieces without falling apart shows us that happiness doesn't come from any kind of acquisitiveness be it material or psychological happiness comes from letting go weaving together the accumulated wisdom of his two worlds buddhism and western psychotherapy epstein shows how the happiness that we seek depends on our ability to balance the ego's need to do with our inherent capacity to be he encourages us to relax the ever vigilant mind in order to experience the freedom that comes only from relinquishing control drawing on events in his own life and stories from his patients going to pieces without falling apart teaches us that only by letting go can we start on the path to a more peaceful and spiritually satisfying life

How to Be an Entrepreneur Without Going to Jail 2006-11 the how to guide for the modern entrepreneur including guerrilla tactics for small business survival anticipatory actions preventive measures preemptive defense dealing with antagonists predators street law and underground information with a touch of philosophy and dark humor this book can save the reader thousands of dollars and years of time at incalculable value as he or she pursues the american dream so it does not become a nightmare

How to Be a Christian without Going to Church 2014-06-24 as many young people especially leave the traditional church in droves they often still long for a genuine christian community in which to practice their faith and share their spiritual journeys with others they want to be faithful but struggle to find a place where they flourish whether they've already left the church behind or are merely considering it readers will find here both heartfelt encouragement and practical steps for finding or creating a community of faith that honors god and offers rest love and communion with other believers author kelly bean broadens our definition of church to include many alternative forms of christian community with true stories of those who have given up on church and what they're doing now this book is also helpful for pastors and churchgoers to help them understand why people leave the church and what might be done to help them stay

How to Beat the System without Going to Jail 2007-08-29 imagine raising two teenagers and a newborn baby working full time as a motivational speaker teacher and pastor all at the same time this hilarious and heart warming book opens an amazing window into the arena of parenting you will laugh and you will cry but most of all the hope that you feel as you read the pages of this book will encourage inspire and motivate you it's not a manual of quick fixes clichéd answers and packaged solutions it's an insightful humorous and honest account from a mother who's been there and back and lived to tell the tale as you indulge yourself in this delightful book you will come to realize that parenting is an adventure with few rules and a whole lot of trial and error you will discover that the answers to parenting are found in the most unlikely of places and that the parent your children need is already inside of you just waiting to

be set free

"Lover's Rejection" A guide to get him or her back without going crazy 2010-04-19 free range kids has become a national movement sparked by the incredible response to lenore skenazy s piece about allowing her 9 year old ride the subway alone in nyc parent groups argued about it bloggers blogged spouses became uncivil with each other and the media jumped all over it a lot of parents today skenazy says see no difference between letting their kids walk to school and letting them walk through a firing range any risk is seen as too much risk but if you try to prevent every possible danger or difficult in your child s everyday life that child never gets a chance to grow up we parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence

Raising Children Without Going Insane 2004-10-12 paying for college without going broke takes the stress confusion and guess work out of applying for financial aid students and their parents learn how to calculate their aid eligibility before applying to college and plan ahead to improve their chances of receiving aid parents and students will learn to negotiate with financial aid offices handle special circumstances for single parents or independent students and receive educational tax breaks paying for college without going broke is the only book to include both the fafsa and the css profile to make things even easier for students and parents
