Made at Home: British homeworkers in the global supply chain 2012-06-01

here is a compact and easy reference guide filled with original drawings and diagrams in full colour which detail the changing uses of space within houses over the centuries the book shows developments in fashion decoration and furniture within different rooms and how these have steadily evolved with the passage of time the book covers an immense range of interior styles from 1500 to 1960 in addition there is a glossary of terms and a historical time chart the book will prove invaluable to those who visit period homes and at the same time will give useful pointers to those planning to restore their own home in a particular period style

British Interior House Styles 2015-11-05

a wide ranging account of the contested intersection between ideas of nationhood and home in british literature between 1640 and 1830

Home and Nation in British Literature from the English to the French Revolutions 2016-03-09

home in british working class fiction offers a fresh take on british working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen as nicola wilson shows the history of the british working classes has often been written from the outside with observers looking into the world of the inhabitants here wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background her book explores the depiction of home as a key emotional and material site in working class writing from the edwardian period through to the early 1990s wilson presents new readings of classic texts including the ragged trousered philanthropists love on the dole and saturday night and sunday morning analyzing them alongside works by authors including james hanley walter brierley lewis grassic gibbon buchi emecheta pat barker james kelman and the rediscovered ex mill girl novelist ethel carnie holdsworth wilson s broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home s role in the making and expression of class feeling and identity

Home in British Working-Class Fiction 2013-08-29

the making of the modern british home explores the impact of the modern suburban semi detached house on british family life during the 1920s and 1930s focusing primarily on working class households who moved from cramped inner urban accommodation to new suburban council or owner occupied housing estates migration to suburbia is shown to have initiated a dramatic transformation in lifestyles from a traditional working class mode of living based around long established tightly knit urban communities to a recognisably modern mode centred around the home the nuclear family and building a better future for the next generation this process had far reaching impacts on family life entailing a change in household priorities to meet the higher costs of suburban living which in turn impacted on many aspects of household behaviour including family size this volume also constitutes a general history of the development of both owner occupied and municipal suburban housing estates in interwar britain including the evolution of housing policy the housing development process housing and estate design lay outs and architectural features marketing owner occupation and consumer durables to a mass market furnishing the new suburban home making ends meet suburban gardens social filtering and conflict on the new estates and problems of mis selling and jerry building peter scott integrates the social history of the interwar suburbs with their economic business marketing and architectural planning histories demonstrating how these elements interacted to produce a new model of working class lifestyles and respectability which marked a fundamental break with pre 1914 working class urban communities

The Making of the Modern British Home 2015-04-10

in designing the british post war home fiona fisher explores the development of modern domestic architecture in britain through a detailed study of the work of the successful surrey based architectural practice of kenneth wood wood s firm is representative of a geographically distinct category of post war architectural and design practice that of the small private practice that flourished in britain s expanding suburbs after the removal of wartime building restrictions such firms which played an important role in the development of british domestic design are currently under represented within architectural histories of the period the private house represents an important site in which new spatial material and aesthetic parameters for modern living were defined after the second world war within a british context the architect designed private house remained an important vehicle for the investigation of architectural ideas by second generation modernist architects and designers through a series of case study houses designed by wood s firm the book reconsiders the progress of modern domestic architecture in britain and demonstrates the ways in which architectural discourse and practice intersected with the experience performance and representation of domestic modernity in post war britain

Designing the British Post-War Home 2018-08-18

the biography of a british girl split from her family by the british child migration program learning to cope with her hard new life in canada marjorie too afraid to cry book 1 in 1937 10 year old marjorie arnison was shipped from britain to prince of wales fairbridge farm school near victoria british columbia for years she wouldn't talk about her past it wasn't until daughter patricia explored archival records and shared them with her mother that a home child saga emerged marjorie her war years book 2 sent away from her family and england to an isolated farm where she was at the mercy of a tyrannical cottage mother marjorie arnison had to learn to forget her identity in order to survive in her unfamiliar and hostile new home it was only much later in her life that the memories of where she came from began to resurface

A British Home Child in Canada 2-Book Bundle 2012

domestic advice literature is rich in information about design ideals of domesticity consumption and issues of identity yet this literature remains a relatively neglected resource in comparison with magazines and film design at home brings together etiquette homemaking and home decoration advice as sources in the first systematic demonstration of the historical value of domestic advice literature as a genre of word and image and a discourse of dominance this book traces a transatlantic domestic dialogue between the uk and the us as the chapters explore issues of design domesticity consumption social interaction and identity markers including class gender and age areas covered include the use of domestic advice by historians relationships between advice housing and the middle class links between advice and gender advice and the teenage consumer design at home is essential reading for students and scholars of cultural and social history design history and cultural studies

The Life of the British Home 2013-12-17

peter scott explores the impact of the modern suburban semi detached house on british family life during the 1920s and 1930s focusing primarily on working class households who moved from cramped inner urban accommodation to new suburban council or owner occupied housing estates

Design at Home 2013

home in british working class fiction offers a fresh take on british working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen as nicola wilson shows the history of the british working classes has often been written from the outside with observers looking into the world of the inhabitants here wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background her book explores the depiction of home as a key emotional and material site in working class writing from the edwardian period through to the early 1990s wilson presents new readings of classic texts including the ragged trousered philanthropists love on the dole and saturday night and sunday morning analyzing them alongside works by authors including james hanley walter brierley lewis grassic gibbon buchi emecheta pat barker james kelman and the rediscovered ex mill girl novelist ethel carnie holdsworth wilson's broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home's role in the making and expression of class feeling and identity

The Making of the Modern British Home 2016-03-09

written by leading international scholars twentieth century britain investigates key moments themes and identities in the past century engaging with cutting edge research and debate the essays in the volume combine discussion of the major issues currently preoccupying historians of the twentieth century with clear guidance on new directions in the theories and methodologies of modern british social cultural and economic history divided into three the first section of the book addresses key concepts historians use to think about the

century notably class gender and national identity organised chronologically the book then explores topical thematic issues such as multicultural britain religion and citizenship representing changes in the field some chapters represent more recent fields of historical inquiry such as modernity and sexuality

Home in British Working-Class Fiction 2014-06-11

at the centre of the world economy one always finds an exceptional state strong aggressive and privileged dynamic simultaneously feared and admired fernand braudel civilization and capitalism 15th 18th centuries this surely is an apt description of the british empire at its zenith of planting and planning explores how britain used the formation of towns and cities as an instrument of colonial expansion and control throughout the empire beginning with the seventeenth century plantation of ulster and ending with decolonization after the second world war robert home reveals how the british empire gave rise to many of the biggest cities in the world and how colonial policy and planning had a profound impact on the form and functioning of those cities this second edition retains the thematic chronological and interdisciplinary approach of the first each chapter identifying a key element of colonial town planning new material and illustrations have been added incorporating the author s further research since the first edition most importantly of planting and planning remains the only book to cover the whole sweep of british colonial urbanism

illustrates how edwardian houses were built how they were used and what they meant at the time

Suburban Style 1988

explores loyalism as a social and political force in eighteenth and nineteenth century british colonies and former colonies

Pleasure, Profit, Proselytism 1872

soon come home to this island traces the representation of west indian characters in british children s literature from 1700 to today this book challenges traditional notions of british children s literature as mono cultural by illuminating the contributions of colonial and postcolonial era black british writers the author examines the varying depictions of west indian islands and peoples in a wide range of picture books novels textbooks and popular periodicals published over the course of more than 300 years an excellent resource for any children s literature student or scholar the book includes a chronological bibliography of primary source material that includes west indian characters and twenty black and white illustrations that chart the changes in visual representations of west indians over time

The British Almanac 1978

in this book gregory salter traces how artists represented home and masculinities in the period of social and personal reconstruction after the second world war in britain salter considers home as an unstable entity at this historical moment imbued with the optimism and hopes of post war recovery while continuing to resonate with the memories and traumas of wartime artists examined in the book include john bratby francis bacon keith vaughan francis newton souza and victor pasmore case studies featured range from the nuclear family and the body to the nation combined they present an argument that art enables an understanding of post war reconstruction as a temporally unstable long term phenomenon which placed conceptions of home and masculinity at the heart of its aims art and masculinity in post war britain sheds new light on how the fluid concepts of society nation masculinity and home interacted and influenced each other at this critical period in history and will be of interest to anyone studying art history anthropology sociology history and cultural and heritage studies

The Motor Industry of Great Britain 1917

continuing her exploration of english interiors ros byam shaw visits 14 distinctive townhouses full of charm character and style continuing her exploration of english interiors ros byam shaw visits 14 distinctive townhouses full of charm character and style in perfect english townhouse ros byam shaw examines the timeless english style of decoration in a variety of georgian victorian and contemporary townhouses architecturally these tall narrow properties present challenges how do you make the best of a basement kitchen with a low ceiling and limited light or allocate space when you live on five floors and how do you maximize any precious outdoor space perfect english townhouse features case studies of such homes not only in london but also in the provincial towns and cities of england some feel like little pockets of countryside surrounded by pavements others have a more sophisticated metropolitan allure some are endearingly eccentric others more classical all the interiors featured are inspiring and reflect the personalities of the people who inhabit them these are the kinds of space that most of us are familiar with and that many of us occupy what is unusual is how cleverly and creatively these examples have been

decorated and designed

Great Britain and the East ... 1993

there are weaknesses in child welfare administration on both sides of the atlantic dr kammerer does not hesitate to point them out although she finds much to admire in british administration she is one of the few americans to speak critically of the british programs and the confusion over what constitutes professional preparation for child welfare services the author also discusses american imperfections she shows that these imperfections make the federal children s bureau in contrast to the british children s department powerless to enforce standards she accuses specific offenders in america for their use of children s institutions for political spoils she examines the serious anomalies existing among the states financial support for child welfare services of the subprofessional public assistance programs when these programs are integrated in state or local departments of welfare this analysis of child welfare administration is a pioneer study it indicates a possible way of making critical inquiry into the organization of social services for children this is an important book because it is the first to make a comparative study of child welfare services in the two major english speaking nations of the world to provide a factual basis for organizational theory for child welfare administration to take issue with the theory behind existing forms of child welfare organizations not grounded upon the facts of program and the changing goals in the field of social work to furnish a way of analyzing the organization of other often so called treatment fields such as mental health training and care of the handicapped etc dr kammerer concludes that we must take advantage of professional thinking in the field of social work to see that children who need it receive care in infancy to avoid their becoming public charges in later life the author a student of american public administration includes many facts unknown to many e g one of the wealthiest states in the union ohio did not appropriate one cent of state money for child welfare services until 1959

The Edwardian House 2014

a multi archival documentary history of british policy towards nasser s egypt under the churchill eden macmillan home and wilson governments the primary focus of the study is an enquiry into the causes of the anglo egyptian cold war from 1952 to 1967

Loyalism and the Formation of the British World, 1775–1914 1973–05
