**Platform Strategy** 2017-04-21 during the last decade platform businesses such as uber airbnb amazon and ebay have been taking over the world in almost every sector traditional businesses are under attack from digital disrupters that are effectively harnessing the power of communities but what exactly is a platform business and why is it different in platform strategy laure claire reillier and benoit reillier provide a practical guide for students digital entrepreneurs and executives to understand what platforms are how they work and how you can build one successfully using their own rocket model and original case studies including google apple amazon they explain how designing igniting and scaling a platform business requires learning a whole new set of management rules platform strategy also offers many fascinating insights into the future of platforms their regulation and governance as well as how they can be combined with other business models benoit reillier and laure claire reillier are co founders of launchworks a leading advisory firm focused on helping organizations develop and scale innovative business models

**Unlock the Power of Your Mind** 2019-03-19 i feel that we will be most connected to our purpose when we truly embrace who we are our past can define us if we allow it to by only focusing on the negative aspects of our experiences or our past can refine us as we take the messages that the universe has sent us to learn and grow in fact i realized that this book is one of the best ways that i can use my past and show how it has refined me and i hope that you find meaning in it to help you redefine your life as you read this book please know that i look at every event in my life as happening for me not to me i never would have started my company wrote this book or become the person i am today if it wasn't for these life experiences

**Unlock Your Power** 2021-06-18 unlock the power within you the only guide you'll ever need break through the barriers holding you back and unlock the power within you life is too short to be held back this guide will help you enhance yourself you're more amazing than you know this book will prove it you know there's something incredible locked away within yourself it's time to free your hidden power of all the things we're taught we're not taught to explore ourselves and come to understand who we truly are we're processed like there's nothing unique about us put through schools told to get mundane jobs live a normal existence but what is normal exactly what about those who know they're not normal those that want more from life what about the people who want to unlock their true power and potential this guide challenges you to seek what's holding you back and destroy it it helps you navigate the secrets of success and it does so in a refreshing way you're one of a kind so if you haven't found your manual for success then this book is a must read what are you waiting for unlock your true potential today scroll up and one click buy your copy and get started now

**Magic** 2014-10-21 a five part approach to making organizations stronger more profitable and better places to work employees and leaders intuitively know that when we find a place where we can throw our hearts spirits minds and hands into our work we are happier healthier and produce better results yet most struggle to understand exactly why we engage in some environments and don't in others magic introduces the five magic keys of employee engagement meaning autonomy growth impact and connection and shows how leaders can help employees achieve higher levels of engagement as well as how employees can be more successful by taking ownership for their own magic the research based on over 14 million employee survey responses across 70 countries the most extensive employee engagement survey database of its kind magic combines principles of psychology and motivation with solid business concepts written by internationally recognized experts in leadership and employee engagement dr tracy maylett and dr paul warner magic provides actionable advice that will reduce employee attrition encourage initiative drive growth and profit and increase personal engagement in one's work engaging content in this book leaders and employees will find real world case studies exercises assessments thought provoking questions and suggestions that increase engagement on the individual manager and organizational levels

**Stretch** 2017-02-07 wall street journal bestseller a groundbreaking approach to succeeding in business and life using the science of resourcefulness we often think the key to success and satisfaction is to get more more money time and possessions bigger budgets job titles and teams and additional resources for our professional and personal goals it turns out we're wrong using capabilities

stories to illustrate research in psychology and management rice university professor scott sonenshein examines why some people and organizations succeed with so little while others fail with so much people and organizations approach resources in two different ways chasing and stretching when chasing we exhaust ourselves in the pursuit of more when stretching we embrace the resources we already have this frees us to find creative and productive ways to solve problems innovate and engage our work and lives more fully stretch shows why everyone from executives to entrepreneurs professionals to parents athletes to artists performs better with constraints why seeking too many resources undermines our work and well being and why even those with a lot benefit from making the most out of a little drawing from examples in business education sports medicine and history scott sonenshein advocates a powerful framework of resourcefulness that allows anybody to work and live better

**Unlocked** 2021-11 greatness is inside you now is the time to wake it up are you living your most authentic life are you leaning into your purpose or running away from it is this the story you want your future self to tell or do you ache for something more through his breakthrough discoveries new york times best selling author lewis howes reveals how you can rewrite your past to propel yourself into a powerful and abundant future with these raw and revealing personal stories science backed strategies from industry leading experts and step by step guidance you will learn how to clearly define a meaningful mission to enhance your purpose for this season of life identify the root causes of self doubt and conquer the fears that hold you back transform your mind to end self sabotaging thoughts to live a rich life manifest your greatness to make the maximum positive impact on those around you by applying the lessons and strategies found inside the greatness mindset you will be able to design the life of your dreams and turn it into reality are you ready your journey to greatness begins now
