The Israeli Mind 2015-09-01

israelis are bold and visionary passionate and generous but they can also be grandiose and self absorbed emerging from the depths of jewish history and the drama of the zionist rebellion against it they have a deeply conflicted identity they are willing to sacrifice themselves for the collective but also to sacrifice that very collective for a higher and likely unattainable ideal resolving these internal conflicts and coming to terms with the trauma of the holocaust are imperative to israel s survival as a nation and to the stability of the world along with a clinical psychologist whose family has lived in israel for generations is uniquely positioned to confront these issues like the israeli psyche that gratch details the israeli mind is both intimate and universal intelligent and forthright compassionate but sometimes maddening it is an utterly compelling read drawing on a broad cultural and historical canvas and weaving in the author s personal and professional experience the israeli mind presents a provocative first hand portrait of the israeli national character

Palestine in Israeli School Books 2013-10-01

each year israel s young men and women are drafted into compulsory military service and are required to engage directly in the israeli palestinian conflict this conflict is by its nature intensely complex and is played out under the full glare of international security so how does israel s education system prepare its young people for this how is palestine and the palestinians against whom these young israelis will potentially be required to use force portrayed in the school system nurit peled elhanan argues that the textbooks used in the school system are laced with a pro israel ideology and that they play a part in priming israeli children for military service she analyzes the presentation of images maps layouts and use of language in history geography and civic studies textbooks and reveals how the books might be seen to marginalize palestinians legitimize israeli military action and reinforce jewish israeli territorial identity this book provides a fresh scholarly contribution to the israeli palestinian debate and will be relevant to the fields of middle east studies and politics more widely

The General's Son 2013-09

in 1996 a tragedy struck the family of israeli american miko peled his beloved niece was killed by a terror bomber in jerusalem that tragedy propelled peled onto a journey of discovery and self discovery during which he met and became close to numerous other people israelis and palestinians who had similarly lost loved ones to the conflict between their peoples peled s journey echoed the trajectory taken 40 years earlier by his father renowned israeli general matti peled but miko peled ended up at a different destination as an outspoken supporter of a one state outcome for palestinians and israelis with full civic equality between all citizens of the state in this compelling memoir peled traces his journey from growing up in jerusalem in the heart of the group that ruled the young country israel through his military service and subsequent global travels and then after his niece s killing back into the heart of israel s conflict with the palestinians he provides an intimate window into the fears that haunt both peoples but also into the real courage of all those who like himself have been pursuing a steadfast grassroots struggle for equality for all the residents of the holy land

An Israeli in Palestine 2008-02-20

jeff halper s book like his life s work is an inspiration drawing on his many years of directly challenging israel s treatment of the palestinians he offers one of the most insightful analyses of the occupation i ve read his voice cries out to be heard jonathan cook author of blood and religion 2006 and israel and the clash of civilisations 2008 in this book the israeli anthropologist and activist jeff halper throws a harsh light on the israeli palestinian conflict from the point of view of a critical insider while the zionist founders of israel created a vibrant society culture and economy they did so at a high price israel could not maintain its exclusive jewish character without imposing on the country s palestinian population policies of ethnic cleansing occupation and discrimination expressed most graphically in its ongoing demolition of thousands of palestinian homes both inside israel and in the occupied territories an israeli in palestine records halper s journey beyond the membrane that shields his people from the harsh realities of palestinian life to his discovery that he was actually living in another country palestine without dismissing the legitimacy of his own country he realises that israel is defined by its oppressive relationship to the palestinians pleading for a view of israel as a real living country which must by necessity evolve and change

halper asks whether the idea of an ethnically pure jewish state is still viable more to the point he offers ways in which israel can redeem itself through a cultural zionism upon which regional peace and reconciliation are attainable

Vengeance 2005-12

discloses the israeli plan to assassinate the known terrorist leaders responsible for the munich massacre of israeli athletes and chronicles the story of the hit squad s leader a mossad assassin morally destroyed by his mission reprint 175 000 first printing tie in to the universal pictures dreamworks film written by tony kushner directed by steven spielberg releasing winter 2005 starring eric bana daniel craig geoffrey rush history general

Women in Israel 1993-01-01

this series of the israel sociological association whose object is to identify and clarify the major themes that occupy social research in israel today gathers together the best of israeli social science investigation that was previously scattered in a wide variety of international journals volume vi presents a composite portrait of women s lives in israel analyzing their status hi the family at work in the military and in political life the editors start from the premise that israel is simultaneously a modern industrial society and a traditional one with regard to the structure and centrality of family life it is governed by both secular law based on the principle of equality between men and women and religious law that imposes a different legal status between the sexes many of the contributors analyze the social contradictions of this paradox and how they shape women s options and experiences this is the first compendium offering a comprehensive account of women in israeli society as such it should be of great interest to people hi women s studies sociology and middle eastern affairs contents partial economic growth and female labour the case of israel gender ethnicity and income inequality the israeli experience the status of women in academia scientists in organizations discrimination processes in an internal labor market economic and familial roles of women in israel is resource theory equally applicable to wives and husbands the social status of war widows getting powerful with age changes in women over the life cycle family gender and attitudes toward retirement ritual morality and gender the religious lives of oriental jewish women hi jersusalem women hi legislatures israel in a comparative perspective women and politics the case of israel abortion in israel social demand and political responses role system under stress sex roles in war relative deprivation hi the labor market women and language in israel teachers selections of boys and girls as prominent pupils theories of gender equality lessons from the israeli kibbutz ethnic identity and the position of women among arabs hi an israeli town

The Last Hour 2018-09-04

avoiding sensationalism and date speculating respected bible teacher amir tsarfati uses his unique perspective as an israeli christian to lead you through a fascinating modern day description of god s plan for the end of the world grounded from start to finish in scripture the book reveals how the rapture the imminent rise of the antichrist and the tragic horrors of the great tribulation will play out in our world today he also helps you understand the roles and fates of russia iran syria turkey the european union the united states of america and israel in the end times showing just how biblical prophecies are being fulfilled in our time but above all he offers hope that in the midst of chaos and horror god is ultimately in control and those who belong to him will be safe with him

Israel in the Third World 1976-01-01

israel has had an unusual experience as both a recipient of foreign aid and as a donor country although it is small in area and population it has developed the political economic and military capacities of a middle range power it has thus been able to offer expertise to others

while it has continued to develop at a rapid pace in terms of location and ethnic background of the majority of the population israel belongs to asia and therefore is an integral part of the third world of asia africa and latin america israel s economic cultural and political interactions with the third world are the focal points of this volume the articles reflect the evolution of israel s position in the third world the range of its programs and activities and the problems and constraints of its international relations many of the contributors are israelis who have been personally connected with diplomatic economic or technical assistance activities in addition to this practical treatment israeli and american scholars have tried to offer a more detached and objective view of the situation the contributors indicate the contrasting conditions that have affected interchanges with asian african and latin american states these views outline the possibilities and limitations of a small or middle range power engaged in a persistent regional conflict to interact normally with other developing countries and share the benefits of its own development experiences contributors moshe alpan shimeon amir ehud avriel joel barroni michael brecher michael curtis samuel decalo ephraim dubek akiva eger jacques fomerand eli ginzberg susan aurelia gitelson irving louis horowitz eliyahu kanovsky edy kaufman ran kochan mordechai e kreinin netanel lorch meron medzini benjamin rivlin dan segre yoram shapira yaacov shimoni

Israel in the Middle East 2008

an anthology of the most important documents on the domestic and foreign policy of the modern state of israel in relation to the rest of the middle east

In Jerusalem 2019-09-17

an entirely fresh take on the israeli palestinian conflict that examines the life shaping reverberations of wars and ongoing tensions upon the everyday lives of families in jerusalem an american secular diasporic jew lis harris grew up with the knowledge of the historical wrongs done to jews in adulthood she developed a growing awareness of the wrongs they in turn had done to the palestinian people this gave her an intense desire to understand how the israelis history led them to where they are now however she found that top down political accounts and insider assessments made the people most affected seem like chess pieces what she wanted was to register the effects of the country s seemingly never ending conflict on the lives of successive generations shuttling back and forth over ten years between east and west jerusalem harris learned about the lives of two families the israeli pinczowers ezrahis and the palestinian abuleils she came to know members of each family young and old religious and secular male and female as they shared their histories with her she looked at how each family survived the losses and dislocations that defined their lives how in a region where war and its threat were part of the very air they breathed they gave children hope for their future and how the adults understanding of the conflict evolved over time combining a decade of historical research with political analysis harris creates a living portrait of one of the most complicated and controversial conflicts of our time

Experiencing the Israeli-Palestinian Conflict 2021-07-29

explores peace communication among children in israel palestine to assess structural outcomes for peace and illuminate causes for conflict intractability

Sleeping on a Wire 2014-07-31

israel jewish state and national homeland to jews the world over but a fifth of its population is arab a people who feel themselves to be an inseparable part of the arab nation most of which is still technically at war with the state of israel in the summer of 1991 david grossman set out on a journey into the world of arab citizens of his country sleeping on a wire is an account of what he found it is about men and women fighting to find a voice to pick out the pulse of their own identity in a land that doesn t seem to be theirs he has not written about open conflict rather it is a story of ferment beneath the surface and an intensifying bitterness which can only exacerbate the troubles of the middle east

Governing Israel 2004

israeli politics and policymaking reflect themes long imbedded in jewish culture the concepts of chosen people and promised land and their meaning in christian as well as jewish religious traditions assure that israel is perpetually in the international spotlight they also impose a sense of distinctiveness on the israeli population some israelis trumpet their country s accomplishments with unrestrained superlatives social critics accuse israel of having the worst of the world s conditions in this they reflect another trait that seems to have been inherited from the ancients the prophetic tradition of extreme self criticism in reality much of what occurs in israel is similar to what occurs in countries that share its characteristics democracy western culture and an advanced level of economic development such an idea may seem bizarre alongside headlines about suicide bombings and the country s aggressive defensive posture this misses what is normal about israel in israel policymakers weigh benefits and costs of various options and generally choose something moderate just as they do elsewhere but this reality does not dim the rhetoric of politics where hyperbole frequently seems more evident than rational discourse sharkansky discusses three central issues in israeli public affairs religion national security and social policy he describes how policymakers relate to these issue and themes major problems may not be solved but they are managed in a way that is tolerable it is in this trait that israel resembles other western democracies in sum biblical themes affect israel s political rhetoric more than they affect the way officials actually work out their problems pragmatic coping with worldly realities generally overcomes emotional expressions that convey ingredients of spirituality ira sharkansky born and raised in fall river massachusetts has been professor of political science and public administration at the hebrew university of jerusalem since 1975 he is author of several works including coping with terror an israeli perspective politics and policymaking in search of simplicity and the political economy of israel the latter available from transaction

Crossing the Jordan River 2005-07-11

the ghost of the holocaust is ever present in israel in the lives and nightmares of the survivors and in the absence of the victims in this compelling and disturbing analysis idith zertal a leading member of the new generation of revisionist historians in israel considers the ways israel has used the memory of the holocaust to define and legitimize its existence and politics drawing on a wide range of sources the author exposes the pivotal role of the holocaust in israel s public sphere in its project of nation building its politics of power and its perception of the conflict with the palestinians she argues that the centrality of the holocaust has led to a culture of death and victimhood that permeates israel s society and self image for the updated paperback edition of the book tony judt the world renowned historian and political commentator has contributed a foreword in which he writes of zertal s courage the originality of her work and the unforgiving honesty with which she looks at the moral condition of her own country

Israel's Holocaust and the Politics of Nationhood 2005-09-12

this highly original historical and political analysis of the arab israeli conflict combines the unique perspectives of two prominent segments of the middle eastern puzzle israeli jews and the palestinian citizens of israel written jointly by an israeli anthropologist and a palestinian family therapist born weeks apart to two families from haifa coffins on our shoulders merges the personal and the political as it explores the various stages of the conflict from the 1920s to the present the authors weave vivid accounts and vignettes of family history into a sophisticated multidisciplinary analysis of the political drama that continues to unfold in the middle east offering an authoritative inquiry into the traumatic events of october 2000 when thirteen palestinian citizens of israel were killed by israeli police during political demonstrations the book culminates in a radical and thought provoking blueprint for reform that few in israel in the arab world and in the west can afford to ignore

Coffins on Our Shoulders 2016-02-02

essays by jerusalem s version of charles bukowski just as aware and critical of his city his family israel the arabs but most of all of himself npr sayed kashua has been praised by the new york times as a master of subtle nuance in dealing with both arab and jewish society an arab israeli who lived in jerusalem for most of his life kashua started writing with the hope of creating one story that both palestinians and israelis could relate to rather than two that cannot coexist together he devoted his novels and his satirical weekly column published in

haaretz to telling the palestinian story and exploring the contradictions of modern israel while also capturing the nuances of everyday family life in all its tenderness and chaos with an intimate tone fueled by deep seated apprehension and razor sharp ironic wit kashua has been documenting his own life as well as that of society at large he writes about his children s upbringing and encounters with racism about fatherhood and married life the jewish arab conflict his professional ambitions travels around the world as an author and more than anything his love of books and literature he brings forth a series of brilliant caustic wry and fearless reflections on social and cultural dynamics as experienced by someone who straddles two societies one of the most celebrated satirists in hebrew literature kashua has an acerbic dry wit and a talent for turning everyday events into apocalyptic scenarios philadelphia inquirer what is most striking in these columns is the universality of what it means to be a father husband and man toronto star

Native 2009-04-16

israel and iran invariably are portrayed as sworn enemies engaged in an unending conflict with potentially apocalyptic implications iranophobia offers an innovative and provocative new reading of this conflict concerned foremost with how israelis perceive iran the author steps back from all too common geopolitical analyses to show that this conflict is as much a product of shared cultural trajectories and entangled histories as it is one of strategic concerns and political differences haggai ram an israeli scholar explores prevalent israeli assumptions about iran to look at how these assumptions have in turn reflected and shaped jewish israeli identity drawing on diverse political cultural and academic sources he concludes that anti iran phobias in the israeli public sphere are largely projections of perceived domestic threats to the prevailing israeli ethnocratic order at the same time he examines these phobias in relation to the jewish state s use of violence in the palestinian territories and lebanon in the post 9 11 world in the end ram demonstrates that the conflict between israel and iran may not be as essential and polarized as common knowledge assumes israeli anti iran phobias are derived equally from domestic anxieties about the jewish state s ethnic and religious identities and from exaggerated and displaced strategic concerns in the era of the war on terrorism

Iranophobia 2019-11-04

in pillars of salt lianne merkur offers an account of early 21st century immigration as experienced by israelis in berlin and toronto who simultaneously explore a sense of belonging balanced between new home and homeland examined through self expression exercises

Pillars of Salt 2009-10-01

israel is a synonym for many things the ancestral home of the jewish people the hell of the palestinians the realization of a centuries old dream of freedom and the heart of the war on terror no country inspires as much debate about its rights and wrongs its legitimacy and illegitimacies than israel historically associated with europe such debate finally became common in the u s during the bush era as america deepened its involvement in the region and israel fought three wars in his new book israel vs utopia israeli american journalist joel schalit distinguishes between the israel he knows and the image of it that exists in the imagination of americans israel is a state of mind schalit argues as much as it is its own sovereign state exploring this tension in america in israel employing a combination of personal observation political and cultural commentary schalit defines the instability of israel as a metaphor and america s troubled love for it as only an israeli american would know

Israel vs. Utopia 2012

a zionist among palestinians offers the perspective of an ordinary israeli citizen who became concerned about the israeli military s treatment of palestinians and was moved to work for peace hillel bardin a confirmed zionist was a reservist in the israeli army during the first intifada when he met palestinians arrested by his unit he learned that they supported peace with israel and the then taboo proposal for a two state solution and that they understood the intifada as a struggle to achieve these goals bardin began to organize dialogues between arabs and israelis in west bank villages towns and refugee camps in 1988 he was jailed for meeting with palestinians while on active duty in ramallah over the next two decades he participated in a variety of peace organizations and actions from arranging for israelis to

visit palestinian communities and homes to the joint jogging group runners for peace to marches political organizing and demonstrations supporting peace security and freedom in this very personal account bardin tries to come to grips with the conflict in a way that takes account of both israeli zionist and palestinian aims

A Zionist Among Palestinians 1998-03-05

since the creation of the state of israel in 1948 the region has been the scene of fierce power struggles injustice and tragic events a situation which persists to this day now for the first time an israeli arab author collaboration is tackling one of the world s most controversial situations published to accompany a six part bbc television series by the makers of the award winning death of yugoslavia this myth breaking book draws on candid interviews with key protagonists in the struggles many of whom have never before spoken out to reveal behind the scenes events and put the record straight this is a definitive insiders account of war and peace in the middle east

The Fifty Years War 1996

poignant letters written home while in an israeli prison reveal the story of a man born in brooklyn who ended up a mayor on the west bank and who after attempting coexistence with his arab neighbors participated in the bombing of a plo official s car

Letters from Tel Mond Prison 2023-07-25

as the last hour approaches it s time to topple misconceptions and discern god s plan we all have questions about the end times but as israeli christian and respected bible teacher amir tsarfati explains biblical prophecy is a mystery not a secret understanding is available to anyone who takes the time to study it designed as a companion to the bestselling and eye opening book the last hour this study guide is full of thought provoking reflection questions discussion starters scripture studies bonus reading material and practical application as the last hour approaches rather than engaging in speculation and playing on people s fears amir poses real life scenarios grounded in biblical truth and helps you explore biblical prophecy and its modern day application and fulfillment in fresh and fascinating ways praise for the last hour this timely book is a well written thrilling thought provoking challenging encouraging must read anne graham lotz what god has promised to his people he is fulfilling i believe that god is going to use the last hour to open hearts to the gospel dr david jeremiah

The Last Hour Study Guide 2020-11-16

the word occupation is not heard in classrooms on the hebrew university campus at the heart of palestinian east jerusalem the war outside is not spoken of israeli and palestinian students unsettle this denial for the first time in a practice led course on human rights in the reality around them readers join the students for a walking tour of the palestinian neighborhoods surrounding the mt scopus campus they explore the complex relations between education civil engagement and the occupation which present themselves in the palestinian neighborhoods of issawiyye sheikh jarrah and lifta these relations then make their way into the classroom where palestinian and israeli students engage with one another for the first time

Teaching Palestine on an Israeli University Campus 2019-04-09

this book focuses on women in development and the effects of the development process on women s roles and status by considering women in the full context of their cultures the book offers new insights on sociocultural political and economic change cross culturally

Israel and the Church Study Guide 2015-01-08

demonstrates how american jews used culture art dance music fashion literature to win the hearts and minds of postwar americans to the cause of israel bringing zion home examines the role of culture in the establishment of the special relationship between the united states and israel in the immediate postwar decades many american jews first encountered israel through their roles as tastemakers consumers and cultural impresarios that is by writing and reading about israel dancing israeli folk dances promoting and purchasing israeli goods and presenting israeli art and music it was precisely by means of these cultural practices argues emily alice katz that american jews insisted on israel s natural place in american culture a phenomenon that continues to shape america s relationship with israel today katz shows that american jews promotion and consumption of israel in the cultural realm was bound up with multiple agendas including the quest for jewish authenticity in a postimmigrant milieu and the desire of upwardly mobile jews to polish their status in american society and crucially as influential cultural and political elites positioned culture as both an engine of american dominance and as a purveyor of peace in the cold war many of israel s american jewish impresarios proclaimed publicly that cultural patronage of and exchange with israel advanced america s interests in the middle east and helped spread the american way in the postwar world bringing zion home is the first book to shine a light squarely upon the role and importance of israel in the arts popular culture and material culture of postwar america emily alice katz teaches history at the university of california irvine

Bringing Zion Home 2012-12-12

since independence israel has lived with a paradox needing and seeking legitimacy understanding and empathy from the world community while simultaneously also discounting the world this volume reflects upon israel s troubled attempts to balance its desire to be different from a world that it simultaneously genuinely needs and that it also wants to be a legitimate member of gathering distinguished scholars and public figures this timely book discusses the causes and consequences of israel s unsettled relations with the world with essays ranging from an account of israel s exile mentality and the cosmopolitanism of suffering to a fragmenting international legal order and whether an authentic religious process can transform religion into a powerful lever for peace the book s innovative analysis will spark both academic and public debate israel in the world legitimacy and exceptionalism will appeal to scholars and students with broad ranging research interests including middle east studies israeli studies and international relations more generally

Israel in the World 2021-04-06

amir tsarfati tells the prophetic story of the bible from genesis to revelation and in the process helps his readers to comprehend god s unique purpose and plan for both israel and the church his refutation of replacement theology is profound and yet easy to understand this book answers a lot of questions many prophetic writers are afraid to ask dr david jeremiah as the day of the lord rapidly draws near we must appreciate god s plans for all his people to truly grasp bible prophecy we must first understand how god s promises to israel complement his vision for the church while some believe god has forsaken israel for the church this goes against the nature of the faithful lord we find in scripture in his latest book native israeli and bestselling author amir tsarfati makes clear what the bible says about god s unique master plans for his two chosen groups israel and the church amir gets to the heart of key questions such as do the promises god made to the old testament nation of israel still apply to the jewish people today has god replaced rebellious israel with the church now that the church exists does israel possess a distinct role in the present age how are current events in israel relevant to the church what should the church s attitude be toward israel israel and the church provides a fascinating look at all that god has prepared for his two peoples and why it s so relevant to us today

Israel and the Church 2000-10-01

the murder of a third of europe s jews by the nazis is unquestionably the worst catastrophe in the history of contemporary judaism and a formative event in the history of zionism and the state of israel understandably therefore the shoah written about analyzed and given various political interpretations has shaped public discourse in the history of the state of israel the key element of shoah in the israeli context is victimhood and as such it has become a source of shame shrouded in silence and subordinated to the dominant discourse which resulting from the construction of a new hebrew active subjectivity taught the postwar generation of israelis to reject diaspora jewry and its alleged passivity in the face of catastrophe this book is the culmination of years of preoccupation with the meaning of the shoah for the author an israeli woman with a split subjectivity that of a daughter of a family of shoah survivors and that of a daughter of the first israeli born generation the culmination of her need to break the silence about the shoah in a society which constructed itself as the israeli antithesis to diaspora jewry and to excavate a truth from underneath the mountain of zionist nation building myths these myths the author argues not only had deep implication for the formation of her generation but also a profound impact on the israeli palestinian conflict moreover they are shot through with images of the masculine israeli contrasted with those of the weak passive non virile jewish other of the diaspora this book offers the first gendered analysis of israeli society and the shoah the author employs personal narratives of nine israeli daughters of shoah survivors writers and film makers and a feminist re reading of official and unofficial israeli and zionist discourses to explore the ways in which the relationship between israel and the shoah has been gendered in that the shoah was feminized while israel was masculinized this new perspective has considerable implications for the analysis of israeli society a gendered analysis of israeli construction of nation reveals how the shoah and shoah discourse are exploited to justify israel s i e the new hebrew s self perceived right of occupation israel thus not only negated the jewish diaspora but also stigmatized and feminized shoah victims and survivors all the while employing shoah discourses as an excuse for occupation both in the past and in the present

Israel and the Daughters of the Shoah 2013-10-01

winner of the everett family jewish book of the year award a national jewish book award and the rusa sophie brody medal in like dreamers acclaimed journalist yossi klein halevi interweaves the stories of a group of 1967 paratroopers who reunited jerusalem tracing the history of israel and the divergent ideologies shaping it from the six day war to the present following the lives of seven young members from the 55th paratroopers reserve brigade the unit responsible for restoring jewish sovereignty to jerusalem halevi reveals how this band of brothers played pivotal roles in shaping israel s destiny long after their historic victory while they worked together to reunite their country in 1967 these men harbored drastically different visions for israel s future one emerges at the forefront of the religious settlement movement while another is instrumental in the 2005 unilateral withdrawal from gaza one becomes a driving force in the growth of israel s capitalist economy while another ardently defends the socialist kibbutzim one is a leading peace activist while another helps create an anti zionist terror underground in damascus featuring an eight pages of black and white photos and maps like dreamers is a nuanced in depth look at these diverse men and the conflicting beliefs that have helped to define modern israel and the middle east
