about the book money is not the root to all evil no it s the love of money that is deep rooted in an unsuspecting tormented soul beth harrison the heroine in beyond the whitecaps is very old and is dying her entire life had been clouded with sad desire tragic wealth and contaminated fame in and out of consciousness beth drifts back to when tragedy greed and murder took hold of her family the wealthiest family in the world while vacationing in england a horrific accident took the lives of a harrison grandchild and a daughter in law being the wealthiest family in the world and having strangulated ties to the royal family the accident would change the course of world history and it would sadly chase the harrisons forever greed and social concepts of royal blood blueblood and the ill bred come together in unwarranted sex violent sex and painfully needed sex with homosexuality more welcomed than the natural state of lubrication the love of money sharing the love of power is much more than beyond evil it s beyond the whitecaps about the author retired schoolteacher abelina p kraus and her daughter jane moxley a quality assurance specialist for becton dickinson are co authors of beyond the whitecaps the mother daughter team shares a love for writing beyond the whitecaps their third book took a little over ten years to write krausville a children s book and mausoleum a thriller are their first two published books sadly abelina passed in 2016 leaving behind nine children

Summary of Joe Vitale's Hypnotic Writing

2022-05-25T22:59:00Z

how the police endanger us and why we need to find an alternative recent years have seen an explosion of protest and concern about police brutality and repression especially after long held grievances in ferguson missouri erupted in months of violent protest following the police killing of brown much of the conversation has focused on calls for enhancing police accountability increasing police diversity improving police training and emphasizing community policing unfortunately none of these is likely to produce results because they fail to get at the core of the problem the problem is policing itself the dramatic expansion of the police role over the last forty years this book attempts to jog public discussion of policing by revealing the tainted origins of modern policing as a tool of social control and demonstrating how the expanded role of the police is inconsistent with community empowerment social justice even public safety drawing on first hand research from across the globe alex vitale shows how the implementation of alternatives to policing like drug legalization regulation and harm reduction instead of the policing of drugs has led to reductions in crime spending and injustice
