THE MARINE 2006

five protagonists wonder what is on the other side of their island where it is too rocky to land and too dense to enter and set out on a voyage of imagination to try and find out

The Long Island 2018-04-03

in the grim aftermath of an alien invasion drew butler must make a life altering decision either get drafted or enlist with his older twin brothers drafted and either missing in action or killed his father convinces him the only way to survive is to enlist and qualify for the t1a77 marine combat suit program the suit constructed and cross engineered from an alien power source it was the only weapon having success against the superior and more technologically advanced assailant it would be the only way to increase his chances for survival following his father's advice drew finds himself thrown into a world he wasn't quite prepared for a world that was in disarray the only structure he would find would be that of the united states marine corps struggling to understand drew must find his way his mission and his purpose if he wants to survive the option for failure is death

Marine Summer: Year 2041 2015-04-09

to protect his young family from merciless corporate tyranny samuel hyst signs up for the hazardous life of a salvage marine the foot soldiers of a militarized deep space operation hazard pay is high for a reason and samuel must endure grueling tours of duty in the abandoned scrapyards of a war torn universe endless wars rage across every galaxy leaving damaged starships rusted factories and broken planets in their wake all ripe for plunder by the desperate and the daring samuel must seize his destiny in frenzied combat against murderous scavengers horrific monsters and the elite mercenaries of rival corporations left with no choice but to fight he must win freedom with a combat rifle and his blowtorch

Salvage Marines 2016-04-21

rejoin fleet marine john smith as he continues his journey in the futuristic military saga of a young man who has found a place to belong in the fleet marines smith again shoots to the stars as he fights on several planets engaging not only galleon fighters but also colonial rebels and unknown alien creatures john smith discovers his role in the secretive plan introduced during six weeks the first book in the series his love for donna continues to grow as the story unfolds tragedy unconditional brotherhood immeasurable courage humor undying love and truth fill the pages of colony wars as fleet marine pfc smith once again tells his story flipping from past to present in a non stop adventurous tale

NNP Fleet Marine 2022-08-01

the fourth story featuring the marines of the special boat squadron at a secret base on a greek island the sbs prepares to put a crude hastily built wind powered craft up against the russian navy's most sophisticated hi tech surveillance systems

Marine D, SBS 1995

hard to put down any book written by cragg and sherman is bound to be addictive and this is the first in what promises to be a great adventure series first to fight is rousing rugged and just plain fun ralph peters new york times bestselling author of red army marines we have just become a low tech deep recon patrol stranded in a hellish alien desert stripped of their strategic systems quick reaction force and supporting arms and carrying only a day's water ration marine staff sergeant charlie bass and his seven man team faced a grim future seventy five light years from home the only thing between his marines and safety was eighty five miles of uncharted waterless terrain and two thousand bloodthirsty savages with state of the art weapons in their hands and murder on their minds but the enemy didn't reckon on the warrior cunning of marines marine charlie bass and the courage of the few good men who would follow him anywhere even to death

Starfist: First to Fight 1999-02-11

semper fidelis always faithful the motto of the united states marine corps words to live by on the ragged edges of civilization corporal michael collins has lived those words taking on riots and evacuations rebels and terrorists asteroid belt patrol is just another deployment ninety nine percent boredom one percent terror but soon the platoon of marines find themselves entangled in the threads of a conspiracy of corporate greed government corruption piracy and a band of war criminals as the fire team leader struggles with tensions in the close knit unit collins and his fellow marines find themselves outnumbered in a pitched battle to stop a corrupt land grab that seems right out of the old west but on a new wider more unforgiving frontier and now he must confront the harsh demands of being always faithful semper fi words to live by words to die by time to earn that combat pay marines welcome to the suck and remember you volunteered for this patrick leclerc has crafted a tense military action adventure on the edge of civilization earth s mining colonies in the asteroid belt in every clime and place combines the spirit of classic s f of heinlein s starship troopers or david drake s hammer s slammers with the isolated small unit grunt s eye view intimacy of george macdonald fraser s quartered safe out here in every clime and place is a frontier land grab a tale of government corruption and corporate piracy and a near future marine science fiction story told with gritty authenticity gallows humor and raw emotion evoking the closeness and isolation of a small unit deployed to the distant edge of a bleak and dangerous frontier

In Every Clime and Place 2014-07-04

andrew barton is an ordinary man who each weekend stumbles into extraordinary circumstances with a college degree in agricultural sciences but a job driving a forklift in a warehouse andrew like many of us finds that his release from the humdrum workweek comes through the tinkering in his garage on the weekends although his goals are directed toward other ends he mistakenly travels through time into other dimensions and even ends up taking his family and friends on a ride to a location that is the last place anyone ever wants to end up lines of force will take you on adventures that you ll never forget and want to enjoy time and time again let andrew barton take you along to unexplored territory in this book about mistakes becoming incredible exploits

Lines of Force 2014-08-01

the third in a series featuring the marines of the special boat squadron an english doctor a veteran of britain s special forces disappears in the turks and caicos islands and then a tourist who turns out to be a soviet submarine expert is shot dead in florida the sbs are sent into action

Marine C, SBS 1995

a recent graduate of the prestigious roger williams university with a degree in marine biology cara nichole owens graduates at the top of her class and is offered numerous internships she embarks on a fated trip to her summer job on the way to the atlantic scientific institute in bermuda the ship she is on meets with disaster she survives and in the process learns a shocking secret about the bermuda triangle which is just as dangerous but will she live to tell about it

Nik of Time 2006-09

and eden were no eden thus exposed he found himself only to be stolen again this time though it is not kristian s mind that is lost but his soul suddenly without a conscience the man formerly known as kristian clark has only goal to make sure that no other being controls him again despite his weakened state whatever that means and whatever it takes she found a reason to live only to lose it again her goal to find the lost children remains unchanged and the aisling s need to remain focused on that end only strengthens but with a new sociopath dead set on the same mission she finds the heart she thought died breaking in all new ways aisling knows one thing for sure though she will redeem what she lost if that means sacrificing an innocent life then heaven help them all together with their motley allies including kristian s un fallen alternate a fellow sociopath and the men who love her they face the same impossible

task fight against two enemy agencies to find twin innocent children and separate parallel worlds before the ashes of one burns the other

Operation Paradise Lost 2020-04-16

zack decker wanted only one thing in life to fight as a marine pathfinder but his temper and his loathing for careerist officers cost him dearly forced into early retirement with a wife who left him long ago no job no friends and no future the former sergeant crawled into a bottle and stayed there moving from planet to planet looking for some reason to keep on living until that is he wandered into a bar owned by an old marine buddy who offered to help on the run after killing a corrupt cop and nowhere to hide he accepted decker would have done better to head for the hills or surrender to the militia however old friends could be persuasive and he soon found himself signing on as security officer of a starship with dubious owners and a dubious crew doing things for his new employer that tested the old saying once a marine always a marine curiosity was decker's other major failing and in short order he was on the run hunted by a shadowy government organisation and in possession of a secret that could destroy the commonwealth it was a secret to die for and the people on his trail wanted to make sure he did along the way they forgot that he could still fight like one of the few

Death Comes But Once 2017

it is the age of the corporation the common man toils under the watchful eye of the elite and their enforcers the rules of law have long been replaced by the politics of profit the dark ages of feudalism have returned with capitalistic ferocity there is no peace among the stars of mapped space and business is booming samuel hyst is an indentured worker who seeks to better his fortunes by joining the ranks of a militarized deep space salvage operation as a hired soldier the young man's hope is to earn enough hazard wages to pay off his debts and expatriate his growing family away from the totalitarian industrial society ruled by grotto corporation to reach his goals he must survive a grueling tour of duty in necrospace a name given to the abandoned scrapyards of a war torn universe

Beyond the Straits 1980

u s marine colonel david saxon has finished five months of bureaucratic hell at the pentagon the confines of his office had turned saxon into a pent up caged beast until he got what he wanted a mission back to the danger zone marine colonel david saxon's big mean one special ops team is being airlifted to extract hostages seized onboard an ocean liner by the infamous terrorist carlos evangelista it's a daring mid sea rescue one certain to cause heavy casualties but the evangelist has more in mind than slaughtering innocent civilians a neo soviet plot plans to kill libya's kaddafi so that a new libyan strongman will welcome placement of soviet missiles for a nuclear strike against the u s sixth fleet on maneuvers in the gulf of sidra to the neo soviet leadership and the evangelist it's just the first round in a world dominating game of nuclear brinkmanship but to saxon's team it's the last round of a game with only one acceptable outcome the obliteration of america's enemies

Salvage Marines 2015-02-02

former fbi crisis negotiator johnathan harper was trying to enjoy his retirement a cruise vacation was supposed to be the ideal getaway a chance to finally make some new friends but the perfect vacation proved the perfect target when a gang of sophisticated highly trained pirates takes over a cruise ship passengers and crew must enter a desperate fight for survival on the high seas john finds himself involuntarily thrust back into his old line of work grappling with the ghosts of his greatest personal failing and as john knows all too well negotiation only works from the outside of the locked room when the pirates eject all halcyon crew on the ship's lifeboats they accidentally left one behind willa thompson now she'll have to leverage her knowledge of the ship's secrets to successfully infiltrate the pirate forces a saboteur among the enemy locked in a deadly game of cat and mouse and while the pirates negotiate with the navy for their pay day not everyone on the ship merely sits idly by travel blogger nina collins finds herself suddenly at the center of a small group of tourists planning a guest resistance but when the enemy is masked and when imposters move among the tourists who can nina truly trust

USMC 2007

marine first lieutenant jacob brown is bored for months he s been sitting around on an alien planet waiting for command to recall his scout team so they could rest and be re outfitted the team went through hell during their previous mission losing both their commanding officer and their ship for now jacob was acting co of scout team obsidian and their ship was a broken down old surplus combat shuttle they d stolen from narco smugglers on a planet called niceen 3 when command finally does reach out however it isn t to order obsidian home for some much needed r r instead they are being reactivated and sent out into the contested space of the recently conquered eshquarian empire to track down a single terran cruiser called the eagle s talon the talon s captain has gone rogue and is operating within a fleet of ships bent on open rebellion against the quadrant s only remaining superpower if that ship is discovered within the rebel fleet earth will bear the brunt of the confed s reprisal jacob s team is in a race against time to locate the missing ship and her rogue captain so that a navy strike force can swoop in and reclaim her or destroy her

The Halcyon Crisis 2023-08-21

the marines of ghost squadron are humanity s foremost black ops specialists who strike without warning and vanish without a trace they will do whatever is necessary to protect humanity anywhere in the known galaxy with the commonwealth increasingly unstable thanks to venal politicians greedy financiers and power hungry revolutionaries they don t lack for missions when an undercover constabulary officer vanishes after uncovering a massive cartel run human trafficking operation the commonwealth s interstellar police force calls for help from naval intelligence because the cartel s operations could upend the delicate political balance between the older core worlds and the more recently colonized outer star systems ghost squadron gets the job its mission find the missing constabulary officer and choke off the growing slave trade bedeviling humanity s perilous galactic frontier ghost squadron s commanding officer lieutenant colonel zachary thomas decker spent the last ten years as a naval intelligence agent his job was thwarting plots and terminating the commonwealth s internal enemies alongside his partner a trained assassin now with several hundred of the deadliest marines ever fielded at his back zack decker will change the course of history and usher in a new era humanity s interstellar empire ended in ashes of empire witness its birth a thousand years earlier in eric thomson s new series ghost squadron

Boneshaker 2020-03-31

marine force one a special detachment of the marine corps whose prowess in combat and specialized training sets them apart from the average grunt they charge where others retreat and succeed where others fail they are the best america s got in the deserts of iraq there s trouble under the blistering sun using an overland black market route that stretches from germany to iraq extremist forces have gathered materials to create a new weapon of devastation it s a hybrid nuclear warhead that needs no missile it can be fired from artillery and it could cast a radioactive cloud over the entire middle east now major david saxon and the warriors of marine force one must plunge into the heart of enemy territory and cut the terrorist supply line down to size

We Dare 2019-12-18

it s been eight years since will travers was thrown back in time now at the height of his success will faces his greatest challenge his son while serving in the texian army in california is kidnapped weighing his duty to texas against his duty to his family will resigns and recruits a few good men to accompany him in tracking down his son s kidnappers who have demanded a king s ransom or else in a race against time will chases the kidnappers across the continent following their trail across seas and jungles failure will cost him more than just his family it will cost him the future he s trying to build

Marine Force One: Strike Vector 2002-01-08

may grimes has all the bad luck orphaned at age five widowed at twenty three after only six weeks of marriage join now be all you can be see new worlds be a united federation of planets

marine the corps needs you the sign said out of desperation she joined and became a fighter pilot on the first faster than light ship leaving earth to look for new homes for the millions waiting in the freeze ships in orbit her fighter wing is used as exploration ships to search out habitable worlds will they find intelligent life want to know more buy it here

In Harm's Way 2019

jack brennan is a marine corps sergeant whose infantry squad has been cleared to return home from a grueling deployment to afghanistan a few years prior sergeant brennan lost one of his closest friends a young combat veteran to suicide and has vowed to do everything in his power to keep his marines from a similar fate on their last night in country brennan shares his version of the odyssey to help prepare his squad for the transition back to the home front by retelling homer's epic about odysseus's difficult journey home after the trojan war and weaving in the stories of contemporary marines the odyssey of sergeant jack brennan powerfully conveys the profound challenges today's veterans face upon returning from combat even as it tells the oldest war story of all time

Space Marine 2006-03

twin triangles by michael r peters twin triangles introduces us to a tightknit squad of marines who planned a fishing trip as a reunion while out at sea their boat vanishes they find themselves on the other side of the world battling against an ancient enemy for survival the bermuda triangle has shifted onto the american mainland soon more than a thousand people vanish and are collected by the earthquake squad it is up to the former marines to protect the arrivals and find a way to get everyone home safely not only do these people travel across the world they travel back in time could there be another portal to bring them back home is there a twin triangle

The Odyssey of Sergeant Jack Brennan 2016

in this thrilling sequel to march upcountry prince roger macclintock and his royal marines are stranded on a barbaric world and their only hope for escape is to take over an enemy held spaceport

Twin Triangles 2021-12-27

light years into deep space aboard an alien cargo freighter marine sergeant christopher receives a bizarre order make 185 malacan aliens into united states marines but the malacans aliens are so alien their culture psychology even physiology is so very very different what physical training standards do you use for a race that can do 200 push ups with breaking a sweat but can't do a single squat thrust worse yet the malacans are a passive and docile species with little or no sense of independence ambition or aggression but the corps don't want sheep they want marines with only three fellow drill instructors century old surplus weapons and equipment and just eighteen weeks for boot camp can sergeant christopher teach the meek and submissive aliens what it means to be one of the few and the proud

March to the Sea 2001-08
