## EROTIC GIRL PARADE - Volume 1

2020-05-04

this work offers bibliographical descriptions of all printings of erotic fiction in english issued clandestinely during the period 1800-1930 by clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers english and continental involved in this trade the printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced the work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names peter mendes original research builds on and significantly extends the essential pioneer work of the victorian collector and bibliographer h s ashbee pisanus fraxi

## Clandestine Erotic Fiction in English 1800-1930

2016-12-05

the way of a man with a maid 1908 is an erotic novel published anonymously the way of a man with a maid has long attracted controversy for its graphic depiction of rape abuse and incest and continues to be read today as an important example of popular british erotica of the early twentieth century alternating between descriptions of sadomasochistic sex the narrator's vindictive interior monologue and a dark humor woven throughout the way of a man with a maid provides insight into the sexual fantasies of men from a bygone era i the man will not take up the time of my readers by detailing the circumstances under which alice the maid roused in me the desire for vengeance which resulted in the way i adopted and which i am about to relate suffice it then to say that alice cruelly and unjustifiably jilted me in my bitterness of spirit i swore that if i ever had an opportunity of getting hold of her i would make her voluptuous person recompense me for my disappointment casting himself as a sworn enemy of womankind jack a jaded english gentleman roams the streets in search of women to corrupt as his power grows increasing his circle of accomplices he performs more daring and often more disturbing sexual acts this graphic exploration of taboo torture and desire remains an important text in the history of erotica and obscenity laws pushing the boundaries of edwardian society while continuing to challenge our own with a beautifully designed cover and professionally typeset manuscript this edition of the way of a man with a maid is a classic work of erotica reimagined for modern readers

## **The Mammoth Book of Erotica**

1994

the present work fills a gap as it attempts to offer a history of erotic literature published in the united kingdom the word study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by pisanus fraxi henry spencer ashbee and quotations from the books themselves the time line is ww ii who was the author he may have been charles reginald dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title his profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications the marquis de sade paris 1927 and retif de la bretonne london 1946 privately printed he may have been a popular writer under pseudonyms though dawes owned a good erotica collection which he willed to the british museum library that would explain why the author of this study if he was dawes could quote freely from erotic texts which only few of his contemporaries would have had available the main merits of this book are that the author was thoroughly familiar with english and french erotic literature and that he put his material in chronological order and in context the editor added a number of references illustrations and indices of personal names and titles to facilitate navigation

identifying the stage as a primary site for erotic display these essays take eroticism in renaissance culture as a paradigm for issues of sexuality and identity in early modern culture contributors examine how the renaissance stage functioned as a decoder for erotic experience both reinforcing and subverting expected sexual behaviour they argue that the dynamics of theatrical eroticism served to deconstruct gender definitions leaving conventional categories of sexuality blurred confused or absent in seeking to reposition the conventions and subversions of gender and desire in terms of one another these essays open up an attractive and distinctive perspective in cultural debate

2018

awarded third place for the adam gillon book award in conrad studies 2009 the book presents a sustained critique of the interlinked and contradictory views that the fiction of joseph conrad is largely innocent of any interest in or concern with sexuality and the erotic and that when conrad does attempt to depict sexual desire or erotic excitement then this results in bad writing jeremy hawthorn argues for a revision of the view that conrad lacks understanding of and interest in sexuality he argues that the comprehensiveness of conrad s vision does not exclude a concern with the sexual and the erotic and that this concern is not with the sexual and the erotic as separate spheres of human life but as elements dialectically related to those matters public and political that have always been recognized as central to conrad s fictional achievement the book will open conrad s fiction to readings enriched by the insights of critics and theorists associated with gender studies and post colonialism
