Reports of Cases Argued and Determined in the English Courts of Common Law 1854 excerpt from a selection of cases on the english law of contract another advantage to be derived from this study is that in the reports the student has examples of precise and accurate statement of fact and clear definition of the issue involved the decisions of the judges are not mere dry statements of rules and principles the student will there meet with a well balanced weighing of facts a just criticism of arguments a luminous exposition of law and occasionally farsighted and lofty considerations of expediency joining for the moment the domain of the legislator with the province of the judge and there is this further advantage last but not least in the eyes of the practical lawyer that through the study of these reports a man becomes familiar with the tone of thought the attitude of mind which prevail in our courts he gets a touch of the genius of english law the author would venture to add of the mind of the english race in insisting on teaching by cases it is not to be understood that any doubt is suggested as to the value of disquisitions in lectures lectures are indispensable for the proper teaching of law the author s wish is to see them supplemented the cases here brought together have been selected chiefly with reference to the masterly works of sir frederick pollock and sir william anson which together present a result valuable at once to the jurist the practitioner and the academic student about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst

repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
