Global Financial Development Report 2017/2018 2017-11-07

successful international integration has underpinned most experiences of rapid growth shared prosperity and reduced poverty perhaps no sector of the economy better illustrates the potential benefits but also the perils of deeper integration than banking international banking may contribute to faster growth in two important ways first by making available much needed capital expertise and new technologies and second by enabling risk sharing and diversification but international banking is not without risks the global financial crisis vividly demonstrated how international banks can transmit shocks across the globe the global financial development report 2017 2018 brings to bear new evidence on the debate on the benefits and costs of international banks particularly for developing countries it provides evidence based policy guidance on a range of issues that developing countries face countries that are open to international banking can benefit from global flows of funds knowledge and opportunity but the regulatory challenges are complex and at times daunting global financial development report 2017 2018 is the fourth in a world bank series the report also tracks financial systems in more than 200 economies before and during the global financial crisis on an accompanying website worldbank.org/financialdevelopment note this world bank report global financial development report 2017 2018 bankers without borders is not associated with the grameen foundation s bankers without borders program which engages volunteer consultants to donate their expertise to serve social enterprises and nonprofits in poor countries for more information visit bankerswithoutborders.com

Children's Daily Prayer 2017-2018 2017-10-25

this annual is used to guide children in schools and religious education in a daily service of communal prayer that follows the pattern of the church s morning prayer it begins on sunday august 6 2017 and goes through friday june 22 2018 scripture readings from the evangelist for the year have been selected to help children become familiar with important scripture stories and themes in addition there are prayers for before meals and at the end of the day as well as prayer services for the liturgical seasons and special feasts and reproducible prayer services for children to take home to their families to celebrate occasions when they are not in school

Global Investment Competitiveness Report 2017/2018 2017-09-01

the global investment competitiveness report presents new insights and evidence on drivers of foreign direct investment fdi in developing countries and fdi s role in development the report s survey of 750 executives of multinational corporations finds that a business friendly legal and regulatory environment is a key driver of investment decisions in developing countries along with political stability security and macroeconomic conditions the report s topic specific chapters explore the potential of fdi to create new growth opportunities for local firms assess the power of tax holidays and other fiscal incentives to attract fdi analyze characteristics of fdi originating in developing countries and examine the experience of foreign investors in countries affected by conflict and fragility three key features of this global investment competitiveness report distinguish it from other publications on fdi first its insights are based on a combination of first hand perspectives of investors extensive analysis of available data and evidence and international good practices in investment policy design and implementation secondly rather than exploring broad fdi trends the report provides detailed and unique analysis of fdi depending on its motivation sector geographic origin and destination and phase of investment thirdly the report offers practical and actionable recommendations to policymakers in developing countries wishing to reform their business climates for increased investment competitiveness as such the report is meant to complement other knowledge products of the world bank group focused even more explicitly on country level data detailed reform diagnostics and presentation of best practices we are confident this report will bring value and fresh perspectives to a variety of audiences to governments and policymakers including investment promotion professionals the report offers direct insights into the role of government policies and actions in investors decision making to foreign investors and site location consultants the report provides information on fdi trends and drivers across sectors and geographies for academic audiences the new datasets on investment incentives and fdi motivations enables opportunities for additional research and analysis lastly for development assistance providers and other stakeholders the report highlights key approaches for maximizing fdi s benefits for development

Russia and Eurasia 2017-2018 2017-08-17

published and updated annually russia and eurasia deals with the twelve independent republics that became members of the commonwealth of independent states following the collapse of the soviet union in december 1992 the text focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other approximately one third of the book is devoted to russia but also includes sections on ukraine belarus moldova armenia azerbaijan georgia kazakhstan kyrgyzstan tajikistan turkmenistan and uzbekistan how the commonwealth of independent states came into being and how it has evolved since 1992 is also discussed the combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in
