I Can Start Your Business 2020-01-16 this book comes from my desire to help you become a more successful entrepreneur i have designed this book to help you learn how to develop your ideas into opportunities this book is different from other textbooks in that it will not teach you about entrepreneurship but instead you will learn to become an entrepreneur therefore the book is designed as a workbook with concrete activities to help build your entrepreneurial ability the book is comprised of 14 challenges spend 5 hours on each activity and you will develop your entrepreneurial knowledge skills and abilities my approach for this book is based on the growing academic research that demonstrates the effectiveness of using problem based learning to help students construct knowledge in other words you learn by doing as you attempt to solve real problems this book is designed to help you and other budding entrepreneurs develop your ideas into opportunities the focus of this book is the entrepreneurship startup phase research indicates that by practicing entrepreneurship you can learn to become a more effective entrepreneur what distinguishes this book from other textbooks is that students actually practice being entrepreneurs rather than learn about entrepreneurship this book will not teach you about entrepreneurship it will teach you to be an entrepreneur as such the book is designed as a workbook with activities to learn entrepreneurship a journal so that you can write and reflect on your entrepreneurial journey and a textbook to help you determine the concepts of entrepreneurship the book has 14 challenges after you complete these challenges you will have gained the entrepreneurial confidence and ability to make you a more effective entrepreneur and yes you can start a business with 1 00 i have facilitated the learning of hundreds of students in this 1 00 journey and it works i have been using a problem based approach for teaching and learning about entrepreneurship for almost 10 years i have noticed and quantified that students are more entrepreneurial after completing the activities in this book i looked around for a textbook that actually teaches students how to be entrepreneurs i could not find one so i wrote this workbook to you on your entrepreneurial journey

Dancing Through It 1892 start small stay small is a step by step guide to launching a self funded startup if you re a desktop mobile or web developer this book is your blueprint to getting your startup

off the ground with no outside investment this book intentionally avoids topics restricted to venture backed startups such as honing your investment pitch securing funding and figuring out how to use the piles of cash investors keep placing in your lap this book assumes you don't have 6m of investor funds sitting in your bank account you're not going to relocate to the handful of startup hubs in the world you're not going to work 70 hour weeks for low pay with the hope of someday making millions from stock options there's nothing wrong with pursuing venture funding and attempting to grow fast like amazon google twitter and facebook it just so happened that most people are not in a place to do this start small stay small also focuses on the single most important element of a startup that most developers avoid marketing there are many great resources for learning how to write code organize source control or connect to a database this book does not cover the technical aspects developers already know or can learn elsewhere it focuses on finding your idea testing it before you build and getting it into the hands of your customers

Creating My Business 2018-12-15 a collection of personal and topical non-fiction narratives about life in north america as seen through the author's eyes thought provoking amusing and inspiring stories about characters and incidents that the author encountered while living in hawaii alaska california seattle and texas these human interest observations will touch the collective heart and soul in all of us and the author's truth seeking insights express a lively journalistic spirit of courage
