ever been to taured before no in fact you've never heard of it well neither had the rest of the world when in july of 2020 a european businessman shows up at tokyo international airport claiming to not only hail from the non-existent country but produces a legitimate passport what follows is a breakneck tale full of mystery intrigue and action that will keep you turning pages well past your bedtime

## Robin

2013-07-07

what if someone believed that you were a hero from a legend don't you believe in legends such a simple question yet what sacri really wants alex to believe is that he is the hero from her legends a hero meant to save land sacred to her tribe alex is a lot of things he's a painter a sculptor and a dreamer he was just fired from a good job grieves for a woman he hoped to marry and is known as the local drunk he's terrified of fire of losing his friend and of being alone he is a lot of things but hero isn't one of them travelling across the country in 1892 to settle land on an unexplored part of the prairies he hopes to find himself to find a reason for his pitiful existence and to have one last adventure with his dying friend what he actually finds in the heart of the lonesome prairies is sacri defending land with her very soul she believes he is the man of legends sent to save sacred land her determination entrances him despite everything alex finds himself praying to a god that he thought had abandoned him in the hope that just maybe there is some truth to sacri's stories to add to alex's unease is the certainty that sacri's brother often merely glimpsed as a silver shadow riding his horse across the horizon will happily kill alex if he turns out not to be the man that sacri thinks he is legends on the prairies a sacred land story is the prequel to ghosts on the prairies alternate history with paranormal and romantic elements it is a story about growth friendship love and the importance of believing in ourselves

## The Legend of Black Jack

2022-05-17

the essays in this volume explore the menacing figure of slender man the blank faced long limbed bogeyman born of a 2009 photoshop contest who has appeared in countless horror stories circulated on and offline among children and young people slender man is arguably the best known example in circulation of creepypasta a genre derived from copypasta which in turn derived from the phrase copy paste as narrative texts are copied across online forums they undergo modification annotation and reinterpretation by new posters in a folkloric process of repetition and variation though by definition legends deal largely with belief and possibility the crowdsourced mythos behind creepypasta and slender man suggests a distinct awareness of fabrication slender man is therefore a new kind of creation one intentionally created as a fiction but with the look and feel of legend slender man is coming offers an unprecedented folkloristic take on slender man analyzing him within the framework of contemporary legend studies creepypastas folk belief and children's culture this first folkloric examination of the phenomenon of slender man is a must read for anyone interested in folklore horror urban legends new media or digital cultures contributors timothy h evans andrea kitta mikel j koven paul manning
